

EVENT INSURANCE PLANS

The US Lacrosse Camp, Clinic & Tournament Insurance Programs provide blanket insurance coverage to all event participants, whether or not they are US Lacrosse members. This program has been designed specifically by US Lacrosse to help coaches and event organizers provide low-cost, quality insurance coverage for their short term events. It is intended to cover those activities where US Lacrosse membership is not mandated in order to ensure that all participants and the event itself are properly insured. It can also be purchased for events where membership is required but the organizers do not have the manpower to verify the rosters for each participating team or individual. Coaches are still required to be members of US Lacrosse for coverage.

The event coverage includes General Liability, Excess Liability and Basic Accident insurance for participants and event sponsors. The limits differ from those provided to US Lacrosse Membership. Most notably, there is no coverage for Sexual Abuse Liability or Catastrophic Accident. **In addition, there is a \$1,000 deductible for all Property Damage claims under the Event General Liability policy.**

CAMP INSURANCE PROGRAM

Under the Camp Insurance Program, coverage extends on a blanket for all participants attending both Day and Overnight Camps. Premium rates are based on age group, number of participants and duration of camp. Seven sessions or days (or fewer), counts as one week. Camp Sessions of play may be consecutive or held once a week for multiple weeks. A minimum premium of \$200 plus the US Lacrosse Administrative fee applies to all Day Camps. For Overnight Camps the minimum premium is \$325 plus the US Lacrosse Administrative fee.

CLINIC INSURANCE PROGRAM

Under the Clinic Insurance Program, coverage may be purchased for One Day Clinics or Instructional Classroom sessions. Any program extending more than one day, should apply under the Camp Insurance Program. Premium rates are calculated based upon age group and number of participants. A minimum premium of \$100 plus the US Lacrosse Administrative Fee applies to the Clinic Insurance program.

TOURNAMENT INSURANCE PROGRAM

The Tournament Insurance program provides coverage for Tournaments or Exhibition Games, and may only be purchased by Tournament organizers. Individual teams are not eligible to purchase this coverage for their participation in a tournament. A tournament is defined as a competition held at a single venue concentrated into a short time interval. The premium rates are calculated based upon age group and the number of participating teams. The US Lacrosse Administrative fee is based on the total number of participants in the event. A minimum premium of \$200 plus the US Lacrosse Administrative fee applies to the Tournament Plan.

ADMINISTRATIVE FEE

The US Lacrosse Administrative Fee is charged on behalf of US Lacrosse to fund research and publications by the Sports, Science & Safety Committee for the benefit and safety of Lacrosse. This fee is charged per each event.
